This is a reminder that your motorhome has an open safety recall. If this recall does not apply or has already been completed, please email [recalls@tiffinmotorhomes.com](mailto:recalls@tiffinmotorhomes.com).

Dear Tiffin Motorhome Owner,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided that a defect, which relates to motor vehicle safety, exists on the following models of motorhomes: **2021 Phaeton Motorhomes equipped with the Roof Mounted Power Awning Option built between May 8, 2020, and March 1, 2021.**

On these specific motorhomes there is the possibility that the fairing wind deflectors mounted in front of the roof mounted power awning on the passenger side and the matching driver's side fairing may not be properly secured and that either of the fairings may become detached while in transit. If either of the fairings were to become detached from the motorhome, it could cause injury or property damage to other vehicles.

Tiffin Motorhomes will have the fairings inspected and repaired if necessary.

Please arrange to take your motorhome to a **reputable service center OR dealer of your choice** to have the correction completed. A list of Tiffin Motorhomes authorized dealers is available online at <https://tiffinmotorhomes.com/service-center-locations>. Please allow up to 15 minutes to have this inspection completed. If the fairings are not securely attached to the roof and repair is needed, please allow another 1 hour per side for the repair. This work will be completed at no charge to you, the owner.

If you are using a service center that is not a Tiffin Motorhomes authorized repair facility, please make sure that they contact Tiffin Motorhomes for the required instructions and time allowed for the repair. Tiffin Motorhomes

will not pay over the allowed time unless the repair facility receives prior authorization. For authorization, contact Tiffin Motorhomes at 256-356-0261 or [service@tiffinmotorhomes.com](mailto:service@tiffinmotorhomes.com).

You may be liable for any progressive damage that results from your failure to complete the recall within a reasonable time after receiving notification.
