Dear «Owner_name»:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. As a result, TMC is conducting a safety recall. We apologize for any inconvenience this action may cause you; however your safety and continued satisfaction are of the utmost importance to us.

***Reason for
this recall***

It has been discovered that on certain model year 2017 Challenger, Miramar, and Outlaw motorhomes, the exterior compartment door skin may be separating from the unit due to potential de-bonding of glue. TMC has contacted your selling dealer and has instructed them on how to inspect your compartment door for potential separation and to repair or replace as needed. This will be done at no cost to you the owner. The inspection will take approximately 15 minutes and any repairs could take up to 1.5 hours per door.
