

IMPORTANT SAFETY RECALL NOTICE

Continental Product Service Information Bulletin PSIB 01-21

To: Continental Authorized Tire Distributors and Dealers

Continental Tire the Americas, LLC – Voluntary Tire Recall

See attached list in the Attachment no. 1.

Continental Tire the Americas, LLC (“CTA”) announced a voluntary recall involving **93,959** passenger tires after discovering the affected tires may experience a carcass break in the sidewall with sudden air loss or could develop a belt edge separation which could lead to a partial or full tread/belt loss. These conditions could increase the risk of serious injury or death. Tires may experience a sudden air loss without warning while others may exhibit visible localized tread wear which may manifest as excessive vibration and/or bulging in the tread area.

Tires have been sold, either as original equipment tires, replacement tires, or are in dealer inventories. Please read this notice carefully and follow the steps outlined in the instructions below. CTA requests your assistance in:

1. Identifying
2. Removing and Replacing
3. Returning
4. Miscellaneous

The following instructions will outline the details of this program.

1. Identifying Tires by DOT, DOT DATE and Mold number

1.1. Subject Tires

The subject tires were sold, either as original equipment tires, replacement tires, or are in dealer inventories. **For Original Equipment applications, ensure that the full-size spare tire is included in the inspection process.**

The tires must match both DOT, DOT Date and mold number in order to be part of the recall:

1. DOT serial number, also known as the Tire Identification Number, or TIN, found on the sidewall of each tire.
2. Mold number - 6-digit number in (S-XXXXXX) on the sidewall. The “S-“ may or may not be on the Mold depending on article.
3. The list of affected to DOT, DOT Date and Mold Numbers are in **Attachment no. 1** below.

Tires made for use in the United States are required to have the DOT serial number with production week and year on one sidewall of the tire near the rim. The sample shows a tire manufactured during the 29th week of 2020.

Examples for full identification as follows.

Example of DOT Serial number identification:

The Continental 245/50R20 102H CrossContact LX Sport is identified as follows:

Product Line:	245/50R20 102H CrossContact LX Sport
DOT TIN:	A376D3K9 2920
Article No.:	03542490000

Example: DOT A376 D3K9 2920

Tires made for use in the United States have a printed unique mold number located on both sidewalls of the tire.

Mold number identification example: "S-" 421921 or without the "S-" like the mold number below,

Anyone needing assistance in finding the Mold Number, please contact CTA Customer Relations toll-free number 1-888-799-2168

1.2 End Consumers

CTA and/or the Original Equipment Vehicle Manufacturer will begin notifying end consumers that have been identified as having purchased affected tires. These end consumers will be directed to contact the dealer where they purchased their vehicle or tire to schedule an appointment for having a replacement tire installed on their vehicle. In case you are contacted, we request your assistance in verifying that the tire is included in this program and removing, replacing and returning all identified tires.

We ask distributors to forward this information to all their locations and to their dealers.

We request that dealers research their sales records for end consumers who may have purchased one of the subject tires. If end consumers are identified, call CTA Customer Relations toll-free number 1-888-799-2168 with the following consumer information:

- End consumer name, address and phone number
- Quantity of subject tires sold to that end consumer
- Tire name, size, Full DOT serial number and Mold number (if available)
- Date of tire(s) sale

CTA will then notify these end consumers with the program information.

2. Removing and Replacing Affected Tires

2.1 Removing Recall Tires

You are requested to remove from use all recall tires which you identify as included in this recall program.

2.2 Replacing Recall Tires

You are requested to replace all affected tires with replacement tires of the same size and service description as those originally fitted. We intend to replace the affected tires with a new or equivalent Continental/General Tire with the same article number from DOT production weeks and mold numbers not affected by the condition.

The tires **must** meet DOT, DOT Date and mold number in order to be part of the recall.

CTA authorized dealers should order replacement Continental tires through their CTA Inside Sales Representative at 1-800-831-0181.

2.3 Previously Replaced Tires

In case the consumer has already replaced a tire that is included in this program and is seeking reimbursement, please refer them to our website www.continentaltire.com and tell them to scroll to the bottom of the page and click on the Tire Recall for all information pertaining to this recall program. You may also contact CTA Customer Relations at 1-888-799-2168 for assistance.

3. Tire Return and Disposal

All tires that are identified as included in this program must be returned to CTA for disposal. Credit will only be issued once the recall tires have been received, inspected and verified.

3.1 Direct Customer and Distributor Procedure

Each direct customer or distributor must check their on hand new tire inventory for the subject tires and return these tires and any affected tires in service to CTA.

Please follow the special instructions below:

The direct customer or distributor returning tires subject to this recall program are to ship these tires with a **separate pickup or segregated on different pallets from their normal warranty returns**. (Note: for normal warranty returns continue to follow all current procedures). Attach a copy of the CTA Limited Warranty Claim Form (2469V) to each tire or complete the claim electronically using the online warranty system available on Contilink found on www.contilink.com or ContiCarLink for Car Dealers on www.conticarlink.com. **You must indicate “Safety Campaign” in the Reason for Removal field. For clear identification write “RECALL” on Tread.**

- The direct customer or distributor returning tires from inventory are to ship the tires weekly.
 - The preferred shipping method is in quantities of **seven** or more tires. When shipping with this method, ship via **YRC**, “Freight Collect” call (800) 357-9199 (USA only) to schedule a pickup, reference code “RECALL”.

On the Bill of Lading indicate shipment terms of “Freight Collect”. CTA will be billed for the freight charges. Please remember to verify the tire count before signing the Bill of Lading. Stipulate on the Bill of Lading “scrap rubber tires – freight class 60”, and “actual value not exceeding \$1.00 per pound”.

- Quantities of **six** or less ship via UPS, call 1-888-799-2168 and request a pre-paid shipping label.
- Ship tires to: Continental Tire the Americas, LLC.
854 Paragon Way
Ref. Code RECALL
Rock Hill, SC 29730

4.2 Indirect Customers and Dealer Procedure

Each dealer should return all subject tires, whether new tires from inventory or tires that were in service, to their distributor following their normal warranty and credit return process.

4.3 Returns for Tires in Service

Dealers in Hawaii, Alaska and Puerto Rico or any tire dealer needing additional assistance should call 1-888-799-2168 regarding return of a tire.

5. Miscellaneous

5.1 Credit

CTA will credit distributors for the subject tires after the tires have been received by CTA, inspected and verified. You will receive full credit for dealer acquisition price of the approved replacement tires(s) plus the standard \$10.00 per tire handling commission on all returns submitted electronically of the subject tire and \$20.00 per tire to cover mounting and balancing costs for tires that have been replaced on a vehicle. **Tires not meeting the DOT, DOT Date and MOLD Number are NOT eligible for credit.**

5.2 Sales of Affected Tires

Continental Tire is required to advise you of the following information and obligations of the Dealer:

Be advised that pursuant to 49 CFR 573.11 and 573.12 you are prohibited from selling any new or used noncompliant tires that are subject to the recall program described in this notice.

Be advised that pursuant to 49 CFR 573.10 you are further required to notify NHTSA of the sale of any new or used noncompliant tires subject to the recall program described in this notice to:

Associate Administrator for Safety Assurance,
National Highway Traffic Safety Administration,
1200 New Jersey Avenue, S.E.,
Washington, DC 20590

or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to www.safercar.gov

We greatly appreciate your assistance in this matter and CTA would like to thank you. Sincerely,

Continental Tire the Americas, LLC.
