NHTSA Recall 21V-135

Dear Nissan Sentra Owner:

This interim notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Nissan has decided that a defect which relates to motor vehicle safety exists in certain 2016-2019 Model Year Nissan Sentra vehicles. Our records indicate that you own or lease the Nissan vehicle identified by the VIN on the inside of this notice.

Reason for Recall
Motivo del Retiro

The stop lamp switch on your Sentra vehicle may become contaminated with silicon off-gassing from silicon-based grease used in surrounding components in close proximity. Oxidation may occur at the switch contact surface due to electric arcing, resulting in silicon dioxide build-up. This build-up may lead to open circuit issues and an inoperative stop lamp switch.

If this condition occurs, you may notice a malfunction indicator light (MIL) 'ON,' the rear stop lamps may not illuminate and/or the engine may not start. If the rear stop lamps do not illuminate when braking, this could increase the risk of a crash.

What Nissan Will Do
Qué Hará Nissan

If you do not have MIL warning continuously illuminated (10 seconds or longer), rear stop lamps not illuminating and/or intermittent starting issues, Nissan is currently preparing parts to remedy your vehicle. The remedy for this recall is anticipated to be available in Fall 2021. When the remedy is available, Nissan will send you a second letter asking you to bring your vehicle to a Nissan dealer for repair, which will be free of charge for parts and labor.

What You Should Do
Qué Debes Hacer

You may continue to drive your vehicle unless the following conditions occur:

- The MIL is illuminated continuously
- Intermittent or current no-start condition
- Intermittent or current inoperative brake lights

If any of the conditions occur, please contact your local Nissan dealer for immediate service and instructions on how to transport your vehicle to the dealership. A rental is available if you require alternative transportation until parts are available, your Nissan dealer will make appropriate arrangements at no cost to you.
