  4. Call Alfa Romeo Premium Care at 1-866-932-3881. An agent can sign you up to be notified when remedy parts become available, or answer any other questions you may have

# IMPORTANT SAFETY RECALL

## ABS Hydraulic Control Unit

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA has decided that a defect, which relates to motor vehicle safety, exists in certain [2020 and 2021 Model Year (GA) Alfa Romeo Giulia and 2019 through 2021 Model Year (GU) Alfa Romeo Stelvio] vehicles.

#### WHY DOES MY VEHICLE NEED REPAIRS?

The Anti-Lock Brake System (ABS) Hydraulic Control Unit (HCU) on your vehicle <sup>[1]</sup> may have a missing or partially missing weld of the rotor to the shaft of the brushless motor. During a hard braking maneuver, the ABS HCU rotor and shaft may separate, which could lead to a reduction in braking assistance and loss of ABS functionality. Full mechanical braking is still available. **The loss of braking assistance and ABS functionality may reduce the overall braking performance which can cause a vehicle crash without prior warning.**

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

**The remedy for this condition is not currently available.** We are making every effort to finalize the remedy as quickly as possible, and will service your vehicle free of charge (parts and labor).

FCA US will contact you again, by mail, with a follow-up recall notice when the remedy is available. Once you receive your follow-up notice, simply contact your Alfa Romeo dealer right away to schedule a service appointment <sup>[2]</sup>. Additional options for your next steps are included on the left side of this notification. We appreciate your patience.

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](https://www.fcarecallreimbursement.com) to submit your reimbursement request online <sup>[3]</sup>. Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
