

Frequently Asked Questions (FAQs) for Safety Recall N212333900

Loss of Power Steering Assist

These questions and answers are being provided to help GM dealers respond to inquiries from involved vehicle owners about the Safety recall identified above.

Q1) Which vehicles are involved?

A1) General Motors has decided that a defect which relates to motor vehicle safety exists in certain 2021 model year Chevrolet Suburban and Tahoe vehicles; and GMC Yukon and Yukon XL vehicles.

Q2) What is the issue or condition?

A2) These vehicles have a software issue that can cause loss of power steering assist at startup or while driving.

Q3) What symptoms may be experienced? What warning signs may be associated with the issue or condition described?

A3) A malfunction indicator light displays on the instrument panel and a chime sounds. The driver may also notice increased steering effort.

Q4) What is the remedy/repair?

A4) GM will update the software in the vehicles' power steering module. Owners who have accepted applicable terms and conditions will have the opportunity to accept these software changes using wireless over-the-air (OTA) technology without having to bring their vehicle to a dealership. Alternatively, owners may schedule to have the updates performed at a GM dealer.

Q5) What is the safety risk? Is the vehicle safe to drive?

A5) If power steering assist is lost, manual steering control is still available. However, increased steering effort is required, particularly at lower speeds, increasing the risk of a crash.

Q6) Does the customer have to pay for this remedy/repair?

A6) No, this inspection/repair will be done at no cost to the customer.

Q7) Is the remedy/repair available now?

A7) Yes, please see the attached bulletin for details.

Q8) What should customers do until recall repairs can be completed? Are there any special instructions?

A8) If special instructions are provided, they will be included in the notification letters to customers.

Q9) How can customers check to see if their vehicle is involved in this field action?

A9) Customers who own a vehicle involved in the field action will be notified by mail by General Motors, but they may also check their Vehicle Identification Number (VIN) for field actions in GM Owner Center at <https://my.gm.com/recalls> or via NHTSA's website at <https://vinrcl.safercar.gov/vin/>.

Q10) If customers are concerned, can they get a rental car or courtesy transportation?

A10) Courtesy transportation is available for customers whose vehicles are involved in this recall and are within the warranty coverage period for the warranty which is associated
