[First Name],

Your [Model Year1] Chevrolet [Bolt EV/EUV] is involved in GM safety recall N212343881. Based on manufacturing records, we have identified your vehicle as one built within a date range scheduled for priority repair under this recall.

Why your vehicle needs this **FREE** recall repair

Your vehicle may have a lithium ion battery pack that may pose a risk of fire when charged to full, or very close to full, capacity.

What will we do?

A Chevrolet EV Certified Dealer will replace the lithium ion battery modules in your vehicle with new lithium ion battery modules.

What should you do?

Please contact a Chevrolet EV Certified Dealer to complete this important **FREE** recall repair. When you make your appointment, please confirm with the dealer that they can make this EV recall repair. Visit chevrolet.com/dealer-locator to find a different dealer.

For more information about this safety recall, enter [VIN1] at experience.gm.com/recalls/bolt-ev.

Le enviamos este aviso porque el vehículo o los vehículos registrados a su nombre están incluidos en la Llamada a Revisión de Seguridad del Airbag de Takata urgente. Sin esta reparación de la llamada a revisión de seguridad **GRATUITA**, el inflador de su airbag podría explotar, por lo que se debe revisar a todos los ocupantes del vehículo. Para programar su reparación de la llamada a revisión, visite mycertifiedservice.com/locate-schedule-service o llame al **1-866-467-9700**. Para su comodidad, un concesionario puede proporcionarle transporte alternativo **GRATUITO** o un vehículo temporal.

Si usted es propietario de un vehículo Saab puede solicitar su reparación en cualquier concesionario GM o Centro de Servicio Oficial de Saab. Si prefiere un Centro de Servicio Oficial de Saab, visite saabparts.com o llame al **1-800-955-9007**.
