22E-040

**Subject:** Driver's Air Bag Inflator May Explode

Dear Ms. Groshek:

This letter serves to acknowledge General Motors, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

AUTOLIV/DRIVER FRONT AIRBAG/9999

**Mfr's Report Date:** May 19, 2022

**NHTSA Campaign Number:** 22E-040

**Components:**

AIR BAGS:FRONTAL:DRIVER SIDE:INFLATOR MODULE

**Potential Number of Units Affected:** 74

**Problem Description:**

General Motors, LLC (GM) is recalling certain Autoliv Front-Driver Air Bag Modules, with part numbers 20928235 and 20928242, sold as replacement parts for certain 2011-2012 GMC and Chevrolet vehicles. The driver's air bag inflator may explode during deployment, due to a manufacturing defect.

**Consequence:**

An inflator explosion may result in sharp metal fragments striking the driver or other occupants, resulting in serious injury or death.

**Remedy:**

Dealers will inspect and replace the front-driver air bag module as necessary, free of charge. Letters notifying owners of the safety risk are expected to be mailed July 5, 2022. A second letter will be sent once the remedy is available. Owners may contact GM customer service at 1-888-988-7267 or Chevrolet customer service at 1-800-222-1020. GM's number for this recall is N222364860.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

General Motors, LLC's contact for this recall will be DeMara Magruder who may be reached by email at [demara.magruder@dot.gov](mailto:demara.magruder@dot.gov). We look forward to working with you.

Sincerely,

Alex Ansley  
Chief, Recall Management Division  
Office of Defects Investigation  
Enforcement
