Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

TIFFIN/MIDAS/2022

**Mfr's Report Date:** August 3, 2022

**NHTSA Campaign Number:** 22V-568

**Components:**

EXTERIOR LIGHTING

**Potential Number of Units Affected:** 10

**Problem Description:**

Tiffin Motorhomes, Inc. (Tiffin) is recalling certain 2022 Midas motorhomes. The center marker light was not installed, which could limit visibility to other drivers. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 108, "Lamps, reflective devices, and associated equipment."

**Consequence:**

A missing marker light can reduce vehicle visibility to other drivers, increasing the risk of a crash.

**Remedy:**

Dealers will relocate the back up camera and install a center marker light, free of charge. Owner notification letters are expected to be mailed September 30, 2022. Owners may contact Tiffin customer service at 1-256-356-8661. Tiffin's number for this recall is TIF-125.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Please be reminded of the following requirements:

Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
