Subject: Circuit Board May Overheat and Cause Fire

Dear Mr. Nickel:

This letter serves to acknowledge Pleasure Way Industries, Ltd.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

PLEASURE WAY/PLATEAU/2021-2022

Mfr's Report Date: August 4, 2022

NHTSA Campaign Number: 22V-585

Components:

ELECTRICAL SYSTEM:WIRING:FUSES AND CIRCUIT BREAKERS

Potential Number of Units Affected: 225

Problem Description:

Pleasure Way Industries, Ltd. (Pleasure Way) is recalling certain 2021-2022 Plateau TS motorhomes. The DCF 4 circuit board is labeled for 30 amps, while the pins for the fuse holder are only rated for 20 amps, which can overload the circuit board and cause the fuse or wiring to overheat or melt.

Consequence:

Overheating or melting of wiring increases the risk of a fire.

Remedy:

Dealers will install a dedicated fused relay for the fridge and relabel the circuit board, free of charge. Owner notification letters are expected to be mailed August 15, 2022. Owners may contact Pleasure Way's customer service at 1-800-364-0189.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Pleasure Way Industries, Ltd.'s contact for this recall will be Kristin Lepper who may be reached by email at kristin.lepper@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
