Dear Mr. Swindell:

This letter serves to acknowledge Nissan North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

NISSAN/ROGUE/2021-2022

Mfr's Report Date: September 1, 2022

NHTSA Campaign Number: 22V-666

Components:

SEAT BELTS: REAR/OTHER:BUCKLE ASSEMBLY

Potential Number of Units Affected: 8,391

Problem Description:

Nissan North America, Inc. (Nissan) is recalling certain 2021-2022 Rogue vehicles. The rear seat belts for the left-hand and right-hand rear seats may not retract properly. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard numbers 208, "Occupant Crash Protection," and 209, "Seatbelt Assemblies."

Consequence:

Seat belts that do not retract properly may be difficult to operate, preventing their usage, which can increase the risk of injury in a crash.

Remedy:

Dealers will inspect and replace the rear seat belts, as necessary, free of charge. Owner notification letters are expected to be mailed October 27, 2023. Owners may contact Nissan's customer service at 1-800-867-7669. Nissan's number for this recall is PC915.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
