Subject: Incorrect Rear Tire Size on Label/FMVSS 120

Dear Mr. Newcomer:

This letter serves to acknowledge Newmar Corporation's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

NEWMAR/SUPER STAR/2020-2023

Mfr's Report Date: October 7, 2022

NHTSA Campaign Number: 22V-749

Components:

EQUIPMENT:OTHER:LABELS

Potential Number of Units Affected: 176

Problem Description:

Newmar Corporation (Newmar) is recalling certain 2020-2023 Super Star motorhomes. The Federal Certification label may indicate the incorrect tire size information for the rear tires. As such, these vehicles fail to comply with the requirements of the Federal Motor Vehicle Safety Standard number 120, "Wheels and Rims-Other Than Passenger Cars."

Consequence:

Incorrect tire size information could lead to an incorrect tire being installed, increasing the risk of a crash.

Remedy:

Newmar will provide new labels, free of charge. Owner notification letters are expected to be mailed on December 6, 2022. Owners may contact Newmar's customer service at 1-800-731-8300.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please ensure the following requirements are met:

An identification and description of the risk to motor vehicle safety reasonably related to the defect or noncompliance (49 CFR 573.6 (c)(5)). All filings should state an increased risk of either a crash, injury or fire.

AMENDED 573 REQUIRED.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Newmar Corporation's contact for this recall will be Michelle Rice who may be reached by email at michelle.rice@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
Chief, Recall Management Division
Office of Defects Investigation
Enforcement
