Subject: Inoperative Rearview Camera Display/FMVSS 111

Dear Mr. Forghieri:

This letter serves to acknowledge Lamborghini (Automobili Lamborghini)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

LAMBORGHINI/URUS/2022

Mfr's Report Date: October 26, 2022

NHTSA Campaign Number: 22V-804

Components:

BACK OVER PREVENTION:DISPLAY FUNCTION

Potential Number of Units Affected: 48

Problem Description:

Lamborghini (Automobili Lamborghini) is recalling certain 2022 Urus vehicles. The infotainment system may become damaged, which can result in an inoperative rearview camera display. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 111, "Rear Visibility."

Consequence:

An inoperative rearview camera display reduces the driver's rear visibility, increasing the risk of a crash.

Remedy:

Dealers will replace the infotainment unit, free of charge. Owner notification letters are expected to be mailed December 16, 2022. Owners may contact Automobili Lamborghini customer service at 1-866-681-6276. Automobili Lamborghini's number for this recall is L636-R.01.22.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.nhtsa.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Lamborghini (Automobili Lamborghini)'s contact for this recall will be Emily C. Smith who may be reached by email at emily.c.smith@dot.gov. We look forward to working with you.

Sincerely,

Alex Ansley
