**Subject:** Insufficient Air Brake Supply Volume/FMVSS 121

Dear Troy Niswonger:

This letter serves to acknowledge Entegra Coach's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

ENTEGRA/ASPIRE/2015-2019  
ENTEGRA/INSIGNIA/2015-2019

**Mfr's Report Date:** December 2, 2022

**NHTSA Campaign Number:** 22V-891

**Components:**

SERVICE BRAKES, AIR

**Potential Number of Units Affected:** 392

**Problem Description:**

Entegra Coach (Entegra) is recalling certain 2015-2019 Aspire and Insignia motorhomes. The service and supply reservoirs have an insufficient volume of air for the brake system. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard number 121, "Air Brake Systems."

**Consequence:**

The undersized air brake supply reservoir may provide an insufficient air supply to properly operate the brakes during repetitive braking, reducing braking performance and increasing the risk of a crash.

**Remedy:**

Dealers will replace the air reservoir, free of charge. Owner notification letters are expected to be mailed December 23, 2022. Owners may contact Entegra customer service at 1-800-283-8267.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.nhtsa.gov](http://www.nhtsa.gov).

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of eight consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
