During a routine Corporate Quality Control inspection of the manufacturing plant on January 11, 2022, it was discovered that the Federal Placard had the incorrect rim designated as 16X6J whereas the rim should be designated as 16X7J.

On January 14, 2022 Forest Rivers Corporate Recall Committee voted to recall.

Description of Remedy :

Description of Remedy Program : Forest River has notified dealerships of this recall and have provided them with remedy instructions to install these Federal Placards if you are uncomfortable installing them yourself. You may have the recall corrected at any Forest River dealership. However, it is preferable if you have your selling dealership perform the remedy. Forest River completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

If you are not comfortable with installing these labels:

Please contact your dealer immediately and request a service appointment to schedule the free remedy. The vehicle Owner is responsible for arranging to have the work completed. Please state you have been notified by Forest River of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

You may also visit www.forestriverinc.com for dealer locations.
