Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Ford Motor Company and Jayco motorized division have decided that a defect, which relates to motor vehicle safety, exists on certain model years 2021-2022 Entegra Coach Esteem, Odyssey, Jayco Greyhawk, Greyhawk Prestige, and Red Hawk Class C motorhomes built on certain Ford 2021-2022 model year E-Series vehicles equipped with dual rear wheels and Hydroboost or Hydromax Power Steering Pressure Line.

***Reason for this recall*** The power steering pressure line in your vehicle may be inadequately connected to the brake Hydroboost unit, which may result in a leak or sudden loss of power steering fluid. Sudden loss of power steering fluid may result in a loss of power steering assist, requiring increased steering effort, and loss of power brake assist, requiring increased force on the pedal to brake, potentially resulting in increased stopping distance. A sudden loss of power steering assist and power brake assist increases the risk of a crash.

***Recall Remedy*** Ford Motor Company has authorized your Ford dealer to inspect the power steering pressure lines at the quick-connect fitting and if necessary, replace the lines, free of charge (parts and labor). This repair should take less than one-half day.

***What we need you to do*** Our records show the following unit is affected by this recall and is part of the current inventory at your dealership.

**VIN**

Please call your Ford dealer without delay and request a service date for Recall 22S08. Provide the dealer with your VIN, which is printed near your name at the beginning of this letter. Ford has not issued instructions to stop driving your vehicle under this safety recall. You should contact your dealer for an appointment to have your vehicle remedied as soon as practicable. You can continue to safely drive your vehicle. If you do not already have a servicing dealer, you can access [ford.com/support](http://ford.com/support) for dealer addresses, maps, and driving instructions. Ford Motor Company wants you to have this safety recall completed on your vehicle. The vehicle owner is responsible for making arrangements to have the work completed. Ford Motor Company can deny coverage for any vehicle damage that may result from the failure to have this recall performed on a timely basis. Therefore, please have this recall performed as soon as possible.

Federal law requires that all affected units in your inventory be repaired prior to delivery to a retail owner. If you sold an affected unit recently, please contact the owner immediately to advise the owner of the recall. In addition, please register the unit through Jayco Partners. A vehicle lessor receiving this notice must notify the lessee by first class mail within ten (10) days from receipt of this owner notification letter.

Information regarding this recall is available in "Case Recall Attachments" in Jayco Partners. If you have questions about this recall please contact Ford Customer Relationship Center at 1-866-436-7332. You may also contact Jayco Inc. Customer Service Department at 800-283-8267.

We certainly regret this inconvenience; however, our Customers' safety is our most important priority.

Sincerely,  
 Compliance Management  
 Jayco Motorized Division
