ATTENTION: ALL DEALER PRINCIPALS

Kia America, Inc., pursuant to the National Traffic and Motor Vehicle Safety Act, is conducting a Noncompliance Safety Recall Campaign on certain 2022 MY Telluride vehicles manufactured from June 10, 2022 through June 13, 2022 and certain 2022 MY Sorento vehicles manufactured from March 28, 2022 through June 10, 2022.

An incorrect-size spare tire may have been included in the subject vehicles during production. As a result, the subject vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) No. 110 "Tire Selection and Rims." An incorrect-size spare tire can adversely affect the anti-lock braking system (ABS) and/or traction control system (TCS), thereby increasing the risk of a crash.

Dealers will be instructed to inspect and, if necessary, replace the spare tire with a new one of the correct size.

Your Service Manager was sent a copy of the owner notification letter and a Q&A guide for recall questions both of which describe the issue and information on how to access the list of affected vehicles. Kia will start mailing notices to the affected vehicle owners on **July 27, 2022**
