**Re:** ***Retailer Pre-owned Assistance – WRG-22 – Impreza Headlamp***

---

In support of our retailer partners with pre-owned Subaru vehicles affected by the Impreza Headlamp Recall (WRG-22) announced on August 16, 2022, we are pleased to provide financial assistance during the time parts were unavailable for these vehicles and therefore unsellable.

Some states currently mandate a curtailment for certain used vehicles impacted by a recall, and retailers submitting claims in those states will be eligible for reimbursement at the prevailing rate. For those retailers in states without such a mandate, we will use a blended rate of 1% per month. Affected vehicles include any of the following you had in stock between September 1, 2022 and February 17, 2023:

Model Year	Carline	Production Date Range
2017-2019	Impreza	September 6, 2016 - July 25, 2019

### **Steps to Receive Reimbursement:**

To receive assistance from Subaru of America, each retailer must submit the information below related to any vehicles in inventory and unsellable for any period of time. The information must be submitted to your zone or distributor in one excel file, which you can download by [clicking here](#). The file name must include your retailer number, full 17-digit VIN of vehicle, purchase date, repair date/sale date, and the carrying value of the vehicle.

For each VIN, please provide the following:

- Retailer Name
- SOA Retailer Number
- State the Retail location is located (two-character state abbreviation)
- Full 17-digit VIN
- Current Vehicle Mileage
- Date acquired (If prior to 9/1/2022 use 9/1/2022)
- Date Repaired or Sold (If after 2/17/2023 use 2/17/2023)
- Carrying Value (i.e. Current floor plan carrying value or cost of acquisition if not floor planned)
- If sold, please provide date sold, buyer's order, or wholesale documents
- Retailers providing this information certify the vehicles were/are on their lot, they agree to an audit of the list, and they agree to submit additional documentation upon request.

### **Curtailment Submission Process**

Retailers looking to make a curtailment claim should complete the attached excel document and return it to their Zone or Distributor for submission. Please submit only one curtailment worksheet per retailer with all vehicles listed on the same document. Deadline to submit a claim for reimbursement is Friday, April 14<sup>th</sup>. Once received and reviewed, Retailers will be reimbursed on their next parts statement.
