

New Safety Recall Advanced Communication – ZB7

FCA US LLC (FCA US) has announced a safety recall on certain 2021 through 2023 Model Year (JL) Jeep® Wrangler 4xe PHEV vehicles equipped with a 2.0L engine (sales code ECX).

REASON FOR THIS SAFETY RECALL

Some of the above vehicles may experience an engine shut down condition caused by diagnostic reactions to faults caused by loss of communication. An engine shut down condition may result in an unexpected loss of motive power while driving, which can cause a vehicle crash without prior warning.

SERVICE ACTION

FCA US will conduct a voluntary safety recall on all affected vehicles to update vehicle control software. The remedy for this condition is not currently available. Dealers will be notified of the launch of this safety recall by way of established communication methods. This recall is estimated to launch in 1st Quarter of 2023.

We ask that you please take the time to ensure that your personnel are aware of this communication and are prepared to execute a customer friendly process for inquiries regarding involved vehicles.
