ATTENTION: ALL DEALER PARTS & SERVICE MANAGERS

Kia America, Inc., pursuant to the National Traffic and Motor Vehicle Safety Act, is conducting a Safety Recall Campaign on certain 2023 MY Sportage vehicles manufactured at a Kia assembly plant in the U.S. from January 12, 2022 to November 17, 2022.

The side curtain airbag(s) may have been assembled with a twisted condition during vehicle production. As a result, the side curtain airbag(s) may not deploy properly in a crash sufficient to warrant such a deployment. An improper deployment of the side curtain airbag(s) increases the risk of injury in a crash.

Dealers will inspect the assembled condition of the side curtain airbags and, if necessary, reinstall the side curtain airbag(s) correctly.

The Technical Service Bulletin that provides vehicle inspection and repair procedures, affected VIN production range, and warranty claim information will be posted on the Kia Global Information System (KGIS) at www.kiatechinfo.com.

Enclosed you will find a copy of the owner notification letter and a Q&A Guide for recall questions, both of which describe the issue. Note that any vehicle owner who has already paid for related repairs can submit a request for reimbursement online via the Owner's Section of www.kia.com. Kia will mail notices to the affected vehicle owners beginning on **December 28, 2022**.

Please make personnel in your dealership familiar with the details of this Safety Recall Campaign so they may respond to customer inquiries and requests appropriately. This Safety Recall Campaign is an opportunity for your service department to deliver an exceptional service experience to customers who may not have otherwise scheduled service. Providing customers with easy scheduling and timely service increases the chance they will return to your service department for future service needs.

NHTSA ADVISORY: It is a violation of Federal law for a dealer to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied.

LEGAL PRIVACY LIABILITY NOTICE: Pursuant to the terms of the Dealer Sales and Service Agreement and the Gramm-Leach-Bliley federal consumer privacy act, you are required to keep confidential any and all information and documents provided to you by Kia America, Inc. or generated by you in the conduct of carrying out work under that Agreement regarding Kia vehicle purchasers and owners, including but not limited to warranty claim information. Kia dealers may use such owner information for the sole purpose of conducting and performing this safety recall campaign, and for no other purpose.

If you have any questions, please contact your facing Kia District Parts and Service Manager.
