

IMPORTANT SAFETY RECALL

July 13, 2022

Airstream Adventures N.W.
1705 Industrial Way
Caldwell, ID 83605

To Whom it May Concern:

Dexter Axle has decided that a potential safety defect exists in certain trailers manufactured or distributed by your company. Accordingly, a recall to address this issue is being initiated effective June 23, 2022.

The defect involves a 42mm cartridge bearing washer that may crack under load within the hub assembly. The potential may lead to a hub separation condition of the axle wheel end.

Affected trailer manufacturers and distributors will be notified by mail regarding this recall and will be instructed to verify the affected units and instructed to replace the suspect washer with a certified washer. The parts will be replaced in accordance with a detailed set of repair instructions. All replacement parts will be provided by Dexter Axle. There is no cost to owners for this recall.

Please be reminded that it is a violation of Federal law for you to sell or lease the trailers covered by this notification until this recall has been performed. Substantial civil penalties apply to violations of this law.

Specific purchase order numbers that are affected by the recall are on the second page of this letter.

Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact Dexter Warranty at directly at (574) 413-9066 or scantzler@dexteraxle.com.

Sincerely,
