Subject: Compliance Recall 44S3 - Tire and Loading Information Label

Dear Audi Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Audi has decided that certain 2022 model year Audi vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 110 *Tire Selection and Rims*. Our records show that you are the owner of a vehicle affected by this action.

Audi of America, Inc.

What is the issue? The value for the maximum combined weight of occupants and cargo (kg and lbs) on the B-pillar "Tire and Loading Information" label is too high. (RS5 Sportback +20kg and RS5 Coupe +10kg). When a customer relies on the incorrect value for the maximum combined weight of occupants and cargo on the B-pillar label, there is a risk of overloading the vehicle. Overloading a vehicle increases the risk of a crash.

What will we do? To correct this noncompliance, your authorized Audi dealer will install a correct "Tire and Loading Information" label. This work will take less than an hour to complete and will be performed for you free of charge. Please keep in mind that your dealer may need additional time for the preparation of the repair, as well as to accommodate their daily workshop schedule.

What should you do? Your dealer will need to order a label specifically for your vehicle. Please contact your authorized Audi dealer without delay to schedule this recall repair. For your convenience, you can also visit www.audiusa.com and click on the "Find a Dealer" link to locate a dealer near you and schedule this service.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Can we assist you further? If your authorized Audi dealer fails or is unable to complete this work free of charge within a reasonable time, please contact Audi Customer Experience at 1-800-253-2834 or via our "Contact Us" page at www.audiusa.com.
