This notice applies to your Hyundai, VIN: XXXXXXXXXXXXXXXXXXXX

Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect, which relates to motor vehicle safety, exists in certain 2019 model year Nexo vehicles. Hyundai is initiating Recall Campaign 224, a safety recall to repair a condition involving the hydrogen fuel inlet receptacle in these vehicles in the U.S. market. Hyundai is conducting this action to ensure the safety of its vehicles for Hyundai customers. Our records indicate that your vehicle is affected by this recall campaign.

#### **What is the problem?**

Immediately following hydrogen refueling, the receptacle filter material could detach, impacting the sealing performance of the hydrogen refueling inlet receptacle and increasing the risk of a hydrogen fuel leak. A hydrogen fuel leak increases the risk of a vehicle fire while parked or driving.

#### **What will Hyundai do?**

Your Hyundai dealer will inspect the hydrogen fuel inlet receptacle and if necessary, replace it. This procedure will be performed at **NO CHARGE** to you.

#### **What should you do?**

**Please contact your nearest Hyundai dealer to schedule this procedure by visiting [www.HyundaiUSA.com/us/en/dealer-locator](http://www.HyundaiUSA.com/us/en/dealer-locator) or calling 1-855-371-9460.**

The actual time required to perform this procedure on your vehicle will take less than one hour, however, your vehicle may be needed longer. Therefore, we recommend scheduling a service appointment to minimize inconvenience.

Hyundai strongly recommends owners to **park their vehicles outside and away from structures** until the recall repair is complete.

#### **If you have other questions**

If you require further assistance, you may contact the Hyundai Customer Care Center at 1-855-371-9460. If you believe that the dealer or Hyundai has failed or is unable to remedy the defect without charge, or within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll-free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <https://www.safercar.gov>.

Thank you for your attention to this important safety matter. We apologize for any inconvenience this may have caused you.
