July, 2022

Dear Mercedes-Benz Owner:

This notice is being sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Mercedes-Benz AG ("MBAG"), the manufacturer of Mercedes-Benz vehicles, has decided that a defect which relates to motor vehicle safety exists in certain Model Year ("MY") 2020-2022 GLE-Class and GLS-Class vehicles. Our records indicate that your vehicle is included in the affected population of vehicles.

What is the issue?

In certain MY 2020-2022 GLE-Class and GLS-Class vehicles, the 48V ground connection located under the front passenger seat might not be correctly secured. The electrical resistance at the connection might increase, which could increase the risk of a fire. When the issue occurs, warning messages are displayed in the instrument cluster relating to the 48V onboard power supply.

What will your Mercedes-Benz Dealership do?

An authorized Mercedes-Benz dealership will inspect the ground connection torque on the affected vehicles and replace the wiring harness as necessary. **This vehicle repair will be provided at no cost to you.** While the minimum repair time can be less than 30 minutes, your dealership can provide you with a better estimate of the overall time for this service visit. As a matter of normal service process, an authorized Mercedes-Benz dealer will also check for other repair measures which might be applicable to your vehicle and this may increase the required working time. You will not be charged for other service or repairs unless so requested.

Steps to take.

- Find your nearest authorized Mercedes-Benz dealership at mbusa.com/recall to schedule your recall repair.
- Please mention you are scheduling an appointment for Mercedes-Benz Recall Campaign 2022040017.
- You may be asked for your VIN, which for your convenience is located at the top of this letter.

We apologize for any inconvenience this may have caused and look forward to taking care of this important safety recall immediately.

Sincerely,
Mercedes-Benz USA

Don't wait. Find an authorized Mercedes-Benz dealership near you
at mbusa.com/recall and schedule the recall repair right away.

What if I no longer own or drive the vehicle or would like to update my contact information?

In the event you need to update your contact information or have updates concerning the vehicle, please visit mbusa.com/recalls (or scan the QR Code to the left) and submit your VIN using our VIN recall lookup tool and filling out the "Recall Contact Information" section on the website. If possible, please provide any contact information of the current owner/driver so we can contact them.

Additional Information for Owners:

A VIN-based recall lookup tool is available at mbusa.com/recalls, which can be used to check whether a vehicle has been subject to a safety recall, or had the remedy performed. Should you have any questions or encounter any difficulty regarding this Recall Campaign, please contact an authorized Mercedes-Benz dealership.

Should an authorized Mercedes-Benz dealership be unable to address your concerns please contact us at **1-(800) FOR-MERCEDES (1-800-367-6372)**. We are always happy to hear from you.

If this is a leased vehicle and the lessor and registered owner receive this notice, please forward this information by first class mail to the lessee within 10 business days to comply with Federal Regulations.

If an authorized Mercedes-Benz dealer for any reason is unable to remedy the situation without charge, or within a reasonable amount of time, Pursuant to law 49 U.S.C. Chapter 301, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, D.C. 20590 or call the toll-free Auto Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153); or go to <https://www.safercar.gov>.

Don't wait. Find an authorized Mercedes-Benz dealership near you at mbusa.com/recall and schedule the recall repair right away.
