Subject: Safety Recall 24iD – Long Fuel Injectors

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that a defect, which relates to motor vehicle safety, exists in certain 2021-2022 model year Volkswagen vehicles. Our records show that you are the owner of a vehicle affected by this action.

What is the issue? In certain vehicles, the long fuel injectors may have been assembled without filter element. An injector built without filter element may leak, and fuel may enter into the engine compartment. Leaking fuel, in the presence of an ignition source, may increase the risk of a fire.

What will we do? To correct this defect, your authorized Volkswagen dealer will replace the long fuel injectors (cylinders 1, 3, 5). This work will take about three hours to complete and will be performed for you free of charge. Please keep in mind that your dealer may need additional time for the preparation of the repair, as well as to accommodate their daily workshop schedule.

What should you do? Please contact your authorized Volkswagen dealer without delay to schedule this recall work. To set up an appointment online, please visit www.vw.com/find-a-dealer.

Precautions you should take If the recall condition is present in the vehicle, customers may recognize a fuel odor or notice fuel leakage. Additionally, the check engine light may illuminate. If this happens, customers are advised to contact an authorized Volkswagen dealer without delay to have the vehicle inspected/repaired.

Lease vehicles and address changes If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

Reimbursement of Expenses If you have previously paid for repairs relating to the condition described in this letter, please refer to the enclosed form that explains how to request reimbursement.

IMPORTANT SAFETY RECALL

Can we assist you further?
