This Notice Applies To Your Vehicle, Vehicle Identification Number:

Dear Maserati Customer:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Maserati S.p.A. and Maserati North America, Inc. (MNA), have decided that certain 2022 model year Maserati MC20 vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108, "Lamps, Reflective Devices, and Associated Equipment".

Maserati S.p.A. and MNA have determined that the above-described vehicles were potentially manufactured with faulty rear brake light / tail lamp assemblies that flicker under certain braking conditions. A brake lamp that flickers during braking may cause a vehicle crash without prior warning.

Your Maserati dealer will inspect and replace the brake light / tail lamp assemblies in your vehicle, free of charge. Since your vehicle is among those that may be affected by the above condition, we ask you to contact any Authorized Maserati Dealer in order to arrange for this recall action to be performed to your automobile. The remedy will take approximately 0.55 hours to 1.60 hours to complete. Please prepare to leave your vehicle with the dealership to allow the dealer to complete your repairs.

Authorized Maserati Dealers have been supplied with the necessary instructions and components to perform the recall.
