QR Code

Get access to recall notifications, locate your nearest dealer, and more through this website or Mopar Owner's Companion App. You will be asked to provide your Vehicle Identification Number (VIN) to protect and verify your identity. The last eight characters of your VIN are provided above.

#### DEALERSHIP INSTRUCTIONS

Please reference Safety Recall Z41.

# IMPORTANT SAFETY RECALL

## Hazards Flash While Braking

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US has decided that certain [2022 (WL) Jeep Grand Cherokee and Grand Cherokee L] vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108 Table 1-a – Lamps, Reflective Devices, and Assoc. Equipment.

#### RECALL DESCRIPTION

The hazard signals on your vehicle <sup>[1]</sup> may flash during certain braking events. **If the hazard lights flash during a braking event, the following drivers may become confused by the additional lighting, increasing the risk of a vehicle crash without prior warning.**

#### YOUR VEHICLE HAS ALREADY BEEN REMEDIED

According to our service records, the Body Control Module (BCM) has already been updated or replaced on your vehicle. Therefore, your vehicle has been remedied and this safety recall does not need to be performed.

**This notification is provided for your records only. There is nothing more that you need to do.**

#### WHAT IF I HAVE QUESTIONS REGARDING THIS RECALL?

If you believe the BCM in your vehicle <sup>[2]</sup> has not been updated or replaced or have questions or concerns which your dealer is unable to resolve, please contact the FCA Group Recall Assistance Center at either fcarecalls.com or 1 800-853-1403.

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
