July 2022

NHTSA #22V-338

Subject: Freightliner Cascadia and Western Star Certification Labels

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Truck North America LLC (DTNA), on behalf of its Freightliner Trucks Division, and wholly owned subsidiary, Western Star Truck Sales, Inc., has decided that certain 2020-2023 Freightliner Cascadia, and Western Star 4700, 4900, and 5700 vehicles manufactured August 21, 2019 through April 26, 2022 fail to conform Federal Motor Vehicle Standard No.157, "Certification".

On the affected vehicles, the Gross Axle Weight Rating (GAWR) is listed higher than the actual capacity of the tires which can lead to possible overloading of the tires. An overloaded tire can increase the potential risk of a crash.

The vehicles will be updated with the correct GAWR label. Repairs will be performed by Daimler Truck North America authorized service facilities, free of charge. **IMPORTANT: Advance arrangements are required for this Recall in order to ensure labels are available for your vehicle at the dealership.**
