**COACHWORKS, INC.**  
**90502 HWY 99N Unit C**  
**Eugene, OR 97402**

This letter is to inform the NHTSA that Keystone Coachworks exposure to the Dometic Recall Notification **22E021** was limited to just four units. Those repairs were completed before filling our recall notification. Since all the repairs were already made prior to the filling of our recall 22V402 no customer letters were mailed out.

Let me know if you need further clarification.
