# IMPORTANT SAFETY RECALL

## Anti-Lock Brake Module Software

Dear [Name],

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

FCA US LLC has decided that a defect, which relates to motor vehicle safety, exists in certain [2018 – 2019 Model Year (WK) Jeep Grand Cherokee and (WD) Dodge Durango] vehicles.

It is extremely important to take steps now to repair your vehicle to ensure the safety of you and your passengers.

#### WHY DOES MY VEHICLE NEED REPAIRS?

Your vehicle <sup>[1]</sup> may have been built with a Hydraulic Control Unit Anti-Lock Brake System (HCU/ABS) module that falsely reads pressure in the primary circuit. An HCU/ABS module that falsely reads pressure in the primary circuit may illuminate the brake lights, as well as allows the vehicle to start and shift out of park without the brake pedal being depressed. This condition can result in unintended vehicle movement and cause a vehicle crash without prior warning and/or injury to others outside the vehicle.

#### HOW DO I RESOLVE THIS IMPORTANT SAFETY ISSUE?

FCA US will repair your vehicle <sup>[2]</sup> free of charge (parts and labor). To do this, your dealer will reprogram the HCU/ABS module. The estimated repair time is about 30 minutes. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time. Your time is important to us, so we recommend that you schedule a service appointment to minimize your inconvenience. Please bring this letter with you to your dealership.

**TO SCHEDULE YOUR FREE REPAIR,  
CALL YOUR CHRYSLER, DODGE, JEEP OR RAM DEALER TODAY**

#### WHAT IF I ALREADY PAID TO HAVE THIS REPAIR COMPLETED?

If you have already experienced this specific condition and have paid to have it repaired, you may visit [www.fcarecallreimbursement.com](http://www.fcarecallreimbursement.com) to submit your reimbursement request online. <sup>[3]</sup> Once we receive and verify the required documents, reimbursement will be sent to you within 60 days. If you have had previous repairs performed and/or already received reimbursement, you may still need to have the recall repair performed.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
