

# IMPORTANT SAFETY RECALL

July 2022

This notice applies to your vehicle, VIN: \_\_\_\_\_

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect, which relates to motor vehicle safety, exists in certain 2022 model year Cadillac XT5, XT6 and GMC Acadia vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

## IMPORTANT

- Your vehicle is involved in GM safety recall N222366070.
- Schedule an appointment with your GM dealer.
- This service will be performed for you at **no charge**.

### Why is your vehicle being recalled?

The rollover valve in the fuel tank in some of these vehicles may not provide a proper seal in the event of a rollover crash. If the fuel tank rollover valve is missing, fuel may leak from the vehicle during certain types of rollover crashes. If a rollover crash were to occur, and if fuel were to leak and contact an ignition source, there is an increased risk of post-crash fire.

### What will we do?

Your GM dealer will inspect the fuel tank and replace the fuel tank shell if the rollover valve is found to be dislodged or missing. This service will be performed for you at **no charge**. Because of service scheduling requirements, it is likely that your dealer will need your vehicle longer than the actual inspection and service correction time of approximately 2 ½ hours.

### What should you do?

You should contact your GM dealer to arrange a service appointment as soon as possible.

### Do you have questions?

If you have any questions or concerns that your dealer is unable to resolve, please contact the appropriate Customer Assistance Center at the number listed below.

For the hearing or speech impaired, please contact our Customer Assistance Center using the Telecommunication Relay Service by dialing 711 then providing the appropriate Customer Assistance Center number for your vehicle.
