Forest River has decided that a defect, which relates to the motor vehicle safety, exists in certain 2021 – 2022 Cargo Mate and Continental Cargo trailers. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

## **WHAT IS THE DEFECT/NONCOMPLIANCE?**

The safety chains do not meet the Gross Vehicle Weight Rating and could potentially break

## **EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.**

If the unit was to detach from the hitch the safety chains may not be sufficient to hold the unit increasing the risk of a crash.

## **WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?**

Forest River is notifying dealerships of the recall. You may have the recall corrected at any Forest River dealership. Forest River will provide all parts and labor free of charge to Consumers and Dealers. An authorized Forest River Dealer or Service Center will need to replace the under rated safety chains with properly rated safety chains for the GVWR of the vehicle. However, it is preferable if you have your selling dealership perform the remedy. Forest River completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

## **WHAT SHOULD YOU DO?**

Please contact your dealer immediately and request a service appointment to schedule the free remedy. The vehicle Owner is responsible for arranging to have the work completed. Please state you have been notified by Forest River of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

You may also visit [www.forestriverinc.com](http://www.forestriverinc.com) for dealer locations.

## **HOW LONG WILL THE REMEDY PROCESS TAKE?**

The estimated time of repair is .50 hours. However, the dealership may need to keep your vehicle or schedule an appointment with you for a later date to fit into their regular service schedule.

## **WHAT IF YOU HAVE PREVIOUSLY PAID FOR REPAIRS TO YOUR VEHICLE FOR THIS PARTICULAR CONDITION?**

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized.

Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.
