**NHTSA:** 22V514

**Subject: Compliance Recall 91DV – Rearview Camera Software**

Dear Volkswagen Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Volkswagen has decided that certain 2021-2022 model year Volkswagen vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 111, "Rear Visibility." Our records show that you are the owner of a vehicle affected by this action.

**What is the issue?** The manufacturing process of the eMMC memory module may cause the rearview camera image not to display in specific use cases. A rearview camera that does not display an image reduces the driver's rear view, increasing the risk of a crash.

**What will we do?** To correct this noncompliance, your authorized Volkswagen dealer will install updated infotainment system software. This work will take about an hour to complete and will be performed for you free of charge. Please keep in mind that your dealer may need additional time for the preparation of the repair, as well as to accommodate their daily workshop schedule.

**What should you do?** Please contact your authorized Volkswagen dealer without delay to schedule this recall work. To set up an appointment online, please visit [www.vw.com/find-a-dealer](http://www.vw.com/find-a-dealer).

**Lease vehicles and address changes** If you are the lessor and registered owner of the vehicle identified in this action, the law requires you to forward this letter immediately via first-class mail to the lessee within ten (10) days of receipt. If you have changed your address or sold the vehicle, please fill out the enclosed prepaid Owner Reply card and mail it to us so we can update our records.

**Can we assist you further?** If your authorized Volkswagen dealer fails or is unable to complete this work free of charge within a reasonable time, or if you should have any questions about this communication, please reach out to us using your preferred method of communication at [www.vw.com/contact](http://www.vw.com/contact) or by calling us at 800-893-5298.

**Checking your vehicle for open Recalls and Service Campaigns** To check your vehicle's eligibility for repair under this or any other recall/service campaign, please visit [www.vw.com/owners/recalls](http://www.vw.com/owners/recalls) and enter your Vehicle Identification Number (VIN) into the Recall/Service Campaign Lookup tool.
