**Subaru Safety Recall WRG-22**  
**NHTSA ID 22V-624**  
**April 2024**

**Dear Subaru Owner:**

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

SUBARU OF AMERICA, INC. has decided that certain 2017-2019 model year Impreza vehicles equipped with halogen headlamp assemblies fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108, 'Lamps, Reflective Devices, and Associated Equipment.' As a result, Subaru is conducting a recall.

You previously received a letter informing you of this safety recall, stating that the parts were not yet available. This follow up letter is to inform you that parts are now available to remedy your vehicle.

**REASON FOR THIS RECALL**

The left front and right front halogen headlamp assemblies, containing the side reflex reflector and low beam reflector, may not fully meet requirements set forth in FMVSS No. 108.

The left front and right front side reflex reflectors may not properly provide reflected light, which may lower the vehicle visibility to other road users, increasing the risk of a crash. Additionally, the left front halogen low beam reflector may not properly illuminate the roadway for the driver and/or may cause glare for other road users, increasing the risk of a crash.

**WHAT SUBARU WILL DO**

Subaru will replace both front headlamp assemblies at no cost to you.

**WHAT YOU SHOULD DO**

Please contact your Subaru retailer (dealer) immediately for an appointment to have this repair performed, at no cost to you.

**HOW LONG WILL THE REPAIR TAKE?**

The time required to replace both front headlamp assemblies in your vehicle is approximately 50 minutes.

Your retailer can provide you with a better estimate of the overall time for this service visit, as it may be necessary to leave your vehicle for a longer period of time on the day of your scheduled appointment to allow your Subaru retailer flexibility in scheduling.

**OWNER INFORMATION**

Government regulations require that recall notifications be sent to the last known owner of record. That information is based primarily on state registration and title data. If you are a lessor of this vehicle, federal regulations require you to forward this notice to your lessee within ten days.

If you have moved or sold your vehicle, please go to <https://www.subaru.com/support/customer-support.html> to send us your information.

**IF YOU HAVE PREVIOUSLY PAID FOR A REPAIR**

If you have already paid for repairs associated with this condition, you may be eligible for reimbursement. Reimbursement consideration will be based on the amount an authorized Subaru retailer in your area would charge for the same repair.

Please send the original service repair order, which has the name of the repair facility, date of repair, mileage at the time of repair, complete 17-digit vehicle identification number (VIN), and your name, with correct mailing address and telephone number to the address listed below.
