IMPORTANT SAFETY RECALL

(NHTSA Recall Number: 22V626)

This notice applies to your vehicle: **(Insert VIN)**

FOLLOW-UP NOTICE

April 12, 2023

Dear Kia Telluride Vehicle Owner:

Kia has identified a defect in your vehicle which relates to motor vehicle safety.

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Kia America, Inc. has decided that a defect which relates to motor vehicle safety exists in certain 2020-2022 MY Telluride vehicles equipped with a Genuine Kia **4-pin tow hitch harness accessory**. The defect can cause a fire, increasing the risk of injury. Our records indicate that you own or lease one of the potentially affected vehicles. **The final remedy is now available for those vehicles equipped with a Genuine Kia 4-pin tow hitch harness accessory. PLEASE SEE THE "WHAT SHOULD YOU DO?" SECTION BELOW.**

What Is The Problem?

A fire may occur in the area of the tow hitch harness module while driving or while the vehicle is parked with the ignition off. Debris and moisture contamination on the tow hitch harness module printed circuit board (PCB) may cause an electrical short circuit, increasing the risk of a fire. A fire increases the risk of injury.

Kia Will Inspect And, If Necessary, Replace the Tow-Hitch Harness Assembly. In Addition, Kia Will Install A New Fuse (If Not Previously Done) and Wiring Harness Extension Free of Charge At No Cost To You.

If your vehicle is equipped with a Genuine Kia 4-Pin Tow Hitch Harness and you had the initial remedy completed: Kia dealers will inspect and, if necessary, replace the tow hitch harness assembly. In addition, dealers will install a wiring harness extension to prevent moisture intrusion into the tow hitch module. This recall will be performed **free of charge at no cost to you**. The estimated time required to perform this recall will be approximately one (1) to two (2) hours. We recommend scheduling a service appointment to minimize your inconvenience.

If your vehicle is equipped with a Genuine Kia 4-Pin Tow Hitch Harness and you have not had the initial remedy completed: Kia dealers will inspect and, if necessary, replace the tow hitch harness assembly. In addition, Kia dealers will install a new fuse with a different capacity to address the fire risk while the vehicle is in operation or parked and also install a wiring harness extension to prevent moisture intrusion into the tow hitch module. This recall will be performed **free of charge at no cost to you**. The estimated time required to perform this recall will be approximately one (1) to two (2) hours. We recommend scheduling a service appointment to minimize your inconvenience.

What Should You Do?

- Please see the images below to verify the type of harness that may be installed on your vehicle, if any:

NO HITCH INSTALLED

**NO FURTHER ACTION
REQUIRED**

7-PIN TOW HITCH HARNESS

(ROUNDED SELF CLOSING LID)

REQUIRED**

4-PIN TOW HITCH HARNESS

(OVAL CAP, NOT SELF CLOSING)

**AFFECTED BY THIS RECALL!
CONTACT KIA DEALER**

- NO HITCH INSTALLED:** If your vehicle is NOT equipped with a tow hitch harness accessory, no further action is required.
- 7-PIN TOW HITCH HARNESS:** If your vehicle is equipped with a 7-pin tow hitch harness accessory, no further action is required.
- 4-PIN TOW HITCH HARNESS:** If your vehicle is equipped with a Genuine Kia 4-pin tow hitch harness, in the interest of the safety of your passengers, as well as your own safety, contact your authorized Kia dealer to schedule a service appointment to have the recall performed on your vehicle. **Also, park your vehicle outdoors and away from other vehicles or structures until you have the recall performed.**

- To find your nearest dealer, visit www.kia.com and click the “Find Dealer” button in the upper right corner (“Dealers” on a mobile device). You can also use the QR code below with your mobile device to access this information (*see the bottom of this letter for more information about QR code use*):

Have You Changed Your Address Or Sold Your Kia?

If you have changed your home address, sold your Kia vehicle, or no longer own your vehicle, please complete the attached prepaid “Change of Address/Ownership” card and mail it to us. You can also contact the Kia Customer Care Center phone number listed below.

What If You Are A Vehicle Lessor?

Federal regulation requires that any vehicle lessor receiving this recall notice must forward a copy of this notice to the lessee within ten days.

What If You Have Other Questions?

If your dealer does not respond to your service request in a timely manner, we suggest that you call Kia’s Customer Care Center at 1-800-333-4542. This number has TTY capability. If you still are not satisfied that we have remedied this situation without charge and within a reasonable amount of time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue, S.E., Washington, DC 20590; or call the toll free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

This action has been taken in the interest of your safety, and we regret any inconvenience this situation may cause you.

Sincerely,

Customer Care Department

QR Code Use:

- *A QR Code is a square, 2-dimensional barcode that can be read by mobile devices loaded with an appropriate barcode or QR Code Reader App. The app reads the barcode image and then launches/uploads the specific information the code contains, such as URLs, text, photos, videos.*
- *With a mobile device, **download a QR Code Reader App.** With many devices, you can do this through an app store or marketplace.*
- ***Open the QR Code Reader App on your mobile device. The app will utilize your device’s camera.** Center the code in the camera viewing area. With some apps, the URL or other information will automatically load when the code is recognized. For others, you may have to snap or take a picture of the QR code. Refer to the QR Reader Code App instructions.*
