Dear <FirstName LastName,>

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Hyundai has decided that a defect, which relates to motor vehicle safety, exists in **certain 2022 model year Elantra N and 2022 – 2023 model year Elantra vehicles**. Hyundai has initiated Safety Recall 234 to repair a condition involving the driver's air bag emblem in these vehicles in the U.S. This notice is a follow-up to an earlier communication regarding the necessary action to complete this safety recall. Our records indicate that your vehicle is affected by this recall.

What is the problem?

The driver's air bag emblem may not be welded properly. An improperly secured emblem could detach and strike a vehicle occupant, increasing the risk of injury during a crash.

What will Hyundai do?

Your Hyundai dealer will replace the driver air bag module. This procedure will be performed **NO CHARGE** to you.

What should you do?

Please contact your nearest Hyundai dealer to schedule this procedure.

The actual time required to perform this repair on your vehicle will take less than one hour, however, your vehicle may be needed longer. To schedule an appointment with your preferred Hyundai dealer:

1. Visit www.hyundaiusa.com/campaignhome
2. Enter your 17-digit VIN from the top of this letter and click the "Search" button.
3. Click the "Schedule Appointment" button and follow the onscreen prompts.

Additional information

If you believe that the dealer or Hyundai has failed or is unable to remedy the defect without charge, or within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue S.E., Washington, D.C. 20590, or call the toll free Vehicle Safety Hot Line at 1-888-327-4236 (TTY: 1-800-424-9153), or go to www.safercar.gov.

Thank you for your attention to this important safety matter. We apologize for any inconvenience this may have caused you.
