This notice applies to your vehicle, <VIN>

NHTSA Recall No: 22V-798

Dear Tesla Owner,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Tesla, Inc. has decided that a defect, which relates to motor vehicle safety exists in certain Model Year 2017-2022 Model 3 vehicles. Our records show that you are the owner of a vehicle affected by this action.

REASON FOR THIS RECALL

Servicing certain components in Model 3 vehicles requires disassembly of the second-row left-hand seat belt buckle and center seat belt anchor, both of which are fastened with the same bolt. One or both components may have been incorrectly reassembled during a service action. A seat belt buckle or a seat belt anchor that is not fastened to correct specifications may result in the seat belt system not performing as designed in a crash, which may increase the risk of an injury.

WHAT TESLA WILL DO

At no charge to you, Tesla Service will inspect the second-row left seat belt buckle and center seat belt anchor and, where necessary, reassemble and fasten the components to correct specifications.

WHAT YOU SHOULD DO

Please schedule a service appointment through your Tesla mobile app. Alternatively, if you wish to contact your nearest Tesla Service Center or require technical assistance, please visit www.tesla.com/findus or call 1-877-79-TESLA (1-877-798-3752). For awareness, the inspection will take only a few minutes, and reassembly of the seat belt buckle and/or anchor, if necessary, will take approximately 5 minutes. The inspection and the repair may be completed by Tesla Mobile Service where available.

If you previously paid for a repair that addresses the recall described in this notice, you may be eligible for a refund. To verify eligibility and learn how to request a refund, please contact Tesla online by visiting www.tesla.com/support/contact or by calling 1-877-79-TESLA (or 1-877-798-3752). Additional detail can be found in our General Recall Reimbursement Plan, which is available online at <https://www.tesla.com/sites/default/files/downloads/tesla-recall-reimbursement-plan.pdf>.

If you believe that Tesla has failed or is unable to remedy this defect without charge or within a reasonable time, you may submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590, by calling 1-888-327-4236 (TTY: 1-800-424-9153), or by visiting www.safercar.gov.

Federal law requires any lessor who receives a notification of a noncompliance or safety-related defect determination pertaining to any leased motor vehicle to send the notice to the lessee within 10 days.

If you no longer own the vehicle, update vehicle ownership in your Tesla Account. For more details adding or removing vehicles from your Tesla Account, visit www.tesla.com/support/account-support#add-remove-products.

Thank you for being a Tesla customer. We are committed to ensuring that your vehicle provides the highest possible level of safety.
