IMPORTANT SAFETY RECALL

**This notice applies to your vehicle,
Recall Campaign No. 22V-942: Driver Seat**

Remedy is Available

February 2023

Dear BMW Owner / Lessee:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. BMW AG has decided that a defect, which relates to motor vehicle safety, exists in certain Model Year 2023 BMW X5 SAV models. Our records indicate that you are the owner of a potentially affected vehicle.

Why are we contacting you?

We are pleased to inform you that we are ready to perform this safety recall. **If you have not had this recall performed, please contact your authorized BMW center immediately to schedule an appointment.** Please visit bmwusa.com/dealer to locate your nearest authorized BMW center.

What could happen?

On the driver's seat, one of the four bolts which connect the backrest to the seat frame may not have been installed according to specifications. In a crash, the backrest may not be fully locked, which could increase the risk of injury.

If you are not the only driver of this vehicle, please advise all other drivers and passengers of this important information.

What will BMW do?

The driver's seat will be inspected and, if necessary, the affected backrest attachment bolt will be replaced for free which could take about one hour.

There may be some options to help overcome the inconvenience of bringing your vehicle in for service, if needed. Contact your local BMW center to check what may be available.

What if I am not the current owner of this vehicle?

If you changed your address or sold the vehicle, please let us know by visiting bmwusa.com/mybmw or by contacting BMW Customer Relations (see left side of page for contact info). **If you are a vehicle lessor, Federal Regulations require you to forward this notice to your lessee within ten days.**

What if I have additional questions?

For the latest updates to this recall, please visit bmwusa.com/recall. Should you have any questions about this recall, please contact your authorized BMW center. If you need additional assistance, please contact BMW Customer Relations.

If your BMW center is unable to remedy the defect without charge or within a reasonable period of time, you may notify the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, DC 20590, call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153), or go to <http://www.safercar.gov>.

Please be assured that your safety is important to us, and we sincerely apologize if this safety recall causes any inconvenience. We recommend that you and your passengers wear your safety belt at all times.

Sincerely,
