

Replace Ankle Catcher Assembly

SB-22-10-006
July 25, 2022

Classification		Section/Group	Mobile Service	Configuration
Recall Bulletin		10 - Body	Can Perform (where permitted)	All
Model Year	Model	Country/Region	Build Location	
2021 - 2022	Model S	United States	Fremont	

The model(s) and model year(s) listed are a general approximation of the affected VIN list. Refer to the VIN/Bulletin Tracker or Customer/Vehicle profile to determine applicability of this bulletin for a particular vehicle.

Recall Bulletins are mandatory service procedures that, unless they can be completed via a firmware update that a customer installs through the normal course of ownership, must be carried out by Tesla-certified Service Centers. Recall work performed by uncertified technicians could lead to unsafe conditions or voided warranty provisions.

Condition

Certain Model S vehicles are equipped with a front bumper carrier structure (ankle catcher assembly) that may change the front passenger airbag deployment behavior, which may not meet regulatory requirements in certain low-speed crash scenarios.

Correction

Replace the ankle catcher assembly.
