This Is A Follow-up Notice That Applies To Your Vehicle,

Vehicle Identification Number:

Dear Maserati Customer:

This notification is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

The safety recall campaign 501/22V-265 is open on your Maserati MC20.

Please schedule your FREE repair today!

Maserati S.p.A. and Maserati North America, Inc. (MNA), have decided that certain 2022 model year Maserati MC20 vehicles fail to conform to Federal Motor Vehicle Safety Standard (FMVSS) No. 108, "Lamps, Reflective Devices, and Associated Equipment".

Maserati S.p.A. and MNA have determined that the above-described vehicles were potentially manufactured with faulty rear tail lamp assemblies that flicker under certain braking conditions. A brake lamp that flickers during braking may cause confusion to drivers following the vehicle, which can cause a vehicle crash without prior warning.

Your Maserati dealer will inspect, and if necessary, replace the tail lamps in your vehicle, free of charge. Since your vehicle is among those that may be affected by the above condition, we ask you to contact any Authorized Maserati Dealer in order to arrange for this recall action to be performed to your automobile. The remedy will take approximately 0.55 hours to 1.60 hours to complete. Please prepare to leave your vehicle with the dealership to allow the dealer to complete your repairs
