Dear Tiffin Motorhome Owner or Dealer,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Tiffin Motorhomes has decided certain, **2022 Midas Motorhomes**, fail to conform to Federal Motor Vehicle Safety Standard No. 108, "Lamps, reflective devices, and associated equipment".

Tiffin Motorhomes has become aware of the possibility that on these motorhomes, the rear center marker light was left off and the backup camera was put into the location for the rear center marker light. Not having the correct number of marker lights on the motorhome will impair the visibility of the motorhome to other drivers and may increase the risk of a crash.

Tiffin Motorhomes will have the location of the rear back up camera relocated and have a rear center marker light installed in the correct location.

Please arrange to take your motorhome to a **reputable service center OR dealer of your choice** to have the correction completed. A list of Tiffin Motorhomes authorized dealers is available online at <https://tiffinmotorhomes.com/service-center-locations>. The recall repair will take up to 1 hour and 30 minutes. If you are using a service center that is not a Tiffin Motorhomes authorized repair facility, please make sure that they contact Tiffin Motorhomes for the required parts, instructions and time allowed for the repair. Tiffin Motorhomes will not pay over the allowed time unless the repair facility receives prior authorization. For authorization, contact Tiffin Motorhomes at 256-356-0261 or [service@tiffinmotorhomes.com](mailto:service@tiffinmotorhomes.com).

You may be liable for any progressive damage that results from your failure to complete the recall within a reasonable time after receiving notification.
