

**Indian Motorcycle Company**

**Indian Motorcycle Company recall: I-22-04**

**NHTSA Recall: 22V636**

**Communication Date: 4/30/2025**

**Text Message Communication:**

Reminder: Indian Motorcycle voluntarily recalled 19-20 & 22 FTR motorcycles as coolant junction may fail during operation, posing injury and crash hazard. Our records show you may have one that has not been repaired. Go to <https://bit.ly/3S6cqY0>. Questions? Contact your local dealer.
