## **IMPORTANT SAFETY RECALL – SECOND NOTICE**

This notice applies to your vehicle(s), see VIN list below.

Dear Customer,

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Prevost Car US Inc. has decided that certain 2021-2023 X3-45 Commuter vehicles fail to conform to *Federal Motor Vehicle Safety Standard No. 208 Occupant Crash Protection*.

### **DEFECT DESCRIPTION**

The driver seat belts installed in the targeted vehicles do not comply to FMVSS208 “Occupant Crash Protection” since the driver’s seat is equipped with a Type 1 seat belt (two-point seat belt) rather than a Type 2 seat belt (three-point seat belt).

### **SAFETY RISK**

If the vehicle is involved in a crash, a two-point seat belt could provide reduced driver protection compared to a three-point seat belt, thus increasing the risk of driver injury.

### **IDENTIFICATION OF ANY WARNING THAT CAN PRECEDE**

There is no warning with this issue.

## REMEDY PROGRAM

Prevost will replace the driver seat on all affected vehicles (the replacement driver seat comprises an integrated three-point seat belt). Prevost will execute this correction free of charge (parts and labor) for the customers.
