

# SAFETY RECALL NOTICE

ATTENTION ALL PURCHASERS AND USERS OF THE FOLLOWING **OZ20 VEHICLE DEODORIZER**.

Nexus Outdoors, Inc. is in the process of initiating a voluntary recall of the OZ20 Vehicle Deodorizer. Potential exists for the unit to overheat when in use, possibly resulting in melting or fire.

## What to do next?

• **Stop using the OZ20 immediately.** We are asking all consumers to return all affected units. This recall only affects purchases that occurred with product numbers 82913 or 4150390 on the back side of the housing unit or on the UPC sticker located on the back of the original packaging.

• **Note:** To determine if the unit you have is affected by this recall, identify the product number on the back side of the unit below:

Product number 82913

Product number 4150390

Nexus Outdoors, Inc. will provide information on how to return the original affected unit and obtain replacement unit at no cost to the consumer.

Start your ScentLok OZ20 recall process here!

Click on the image above (or type <https://scentlok.com/safety-recall-notice> into your search bar) to begin the return process. Please make sure your pop-up blocker is turned off, and that you are using your computer and not your phone.

**What if I bought them from another person?** If you bought an OZ20 from someone other than Nexus Outdoors, Inc., contact [recall@nexus-outdoors.com](mailto:recall@nexus-outdoors.com) to receive your printable label.
