

IMPORTANT SAFETY RECALL

June 2022

This notice applies to your vehicle, **VIN:** _____

Dear General Motors Customer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

General Motors has decided that a defect which relates to motor vehicle safety may exist in certain front-driver airbag modules produced for use as service replacements in 2011–2012 model year Chevrolet Silverado 1500 and Suburban and GMC Sierra 1500 vehicles. As a result, GM is conducting a safety recall. We apologize for this inconvenience. However, we are concerned about your safety and continued satisfaction with our products.

IMPORTANT

- Your vehicle is involved in GM recall N222364860.

Why is your vehicle being recalled?

These front-driver airbag modules may contain an inflator that was built with a supplier-manufacturing defect that may result in inflator rupture during deployment. An inflator rupture may cause metal fragments to pass through the airbag and into the vehicle interior, which may result in injury or death to vehicle occupants.

What will we do?

Parts to repair your vehicle are not currently available, but when parts are available, your GM dealer will inspect the front-driver airbag module and replace if necessary. This service will be performed for you at **no charge**.

We are working as quickly as possible to correct this condition. When parts are available, we will send you another letter asking you to take your vehicle to your GM dealer to have your vehicle serviced. You can also check the status of this recall at: <https://my.gm.com/recalls>.
