Subject: Cascadia Brake ECU Accessory Component

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

This is the first of two notices you will receive regarding this subject. This letter is to inform you of an upcoming Recall to correct the issue noted above. Daimler Truck is currently working on a solution. **There is no action for you to take at this time.**

The second notice will inform you when the final remedy is available. **When you receive the second notice**, please contact your authorized Daimler Truck North America repair facility to schedule the free repair for your vehicle.

If you do not own the vehicle that corresponds to the identification number(s) which appears on the Recall Notification, please return the notification to the Warranty Campaigns Department with any information you can furnish that will assist us in locating the present owner. If you have leased this vehicle, Federal law requires that you forward this notice to the lessee within 10 days.
