IMPORTANT SAFETY RECALL

See enclosed VIN list

**August 2022
FL943
Interim Recall Notice
NHTSA #22V-456**

Subject: CASCADIA ABS FAULT RETENTION

This notice is sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*.

Daimler Truck North America LLC (DTNA), on behalf of its Freightliner Trucks Division, has decided that certain 2022 Freightliner Cascadia vehicles manufactured October 28, 2021, through December 17, 2021, fail to conform to Federal Motor Vehicle Safety Standard No. 121, "Air Brake Systems."

On certain limited production vehicles when keyed off for more than 5 seconds, the Anti-lock Brake System (ABS) fault codes will not be retained, which can impair the ABS diagnostic features and warning light. An ABS system that does not store fault codes may fail to warn the driver of an issue, or prevent proper repair. Operating a vehicle that may fail to warn the driver of an issue, or prevent proper repair can increase the risk of a crash.

This is the first of two notices you will receive regarding this subject. This letter is to inform you of an upcoming Recall to correct the issue noted above. Daimler Trucks is currently working on a solution. **There is no action for you to take at this time.**

The second notice will inform you when the free, final remedy is available. **When you receive the second notice**, please contact your authorized Daimler Trucks North America dealer to schedule the Recall for your vehicle.

If you do not own the vehicle that corresponds to the identification number(s) which appears on the Recall Notification, please return the notification to the Warranty Campaigns Department with any information you can furnish that will assist us in locating the present owner. If you have leased this vehicle, Federal law requires that you forward this notice to the lessee within 10 days. If you are a subsequent stage manufacturer, Federal law requires that you forward this notice to your distributors and retail outlets within five working days.

If you have questions about this Recall, please contact the Warranty Campaigns Department at (800) 547-0712, 7:00 a.m. to 4:00 p.m. Pacific Time, Monday through Friday, e-mail address DTNA.Warranty.Campaigns@Daimlertruck.com. For other concerns, you may contact the Customer Assistance Center at (800) 385-4357. If you are not able to have the defect remedied without charge and within a reasonable time, you may wish to submit a complaint to the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Avenue SE, Washington, DC 20590; or call the Vehicle Safety Hotline at (888) 327-4236 (TTY: 800-424-9153); or go to <http://www.nhtsa.gov>.

We regret any inconvenience this action may cause but feel certain you understand our interest in motor vehicle safety.
