

## SAFETY RECALL NOTICE

December 19, 2022

Name: XXXXXXXXXXXX

Address: XXXXXXXXXXXXXXXXX

RE: Safety Standard Recall Notification: 22V-851

Dear XXXXXXXXXXXXX

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act. Coach and Equipment Mfg. Corp. has determined that a defect, which relates to motor vehicle safety exists in your Coach and Equipment Mfg. Corp. bus installed with a Roush CleanTech Gen 4 or Gen 5 LPG fuel system.

### IMPORTANT!

- Your Coach and Equipment Mfg. Corp. bus installed with a Roush CleanTech Gen 4 or Gen 5 LPG fuel system is being recalled.

#### WHAT IS BEING RECALLED:

This recall applies to approximately 353 Coach and Equipment Mfg. Corp. Phoenix buses installed with a Roush CleanTech Gen 4 or Gen 5 LPG fuel system manufactured between January 1, 2016, and March 31, 2023 and operated in the Salt Belt states.

#### WHY IS IT BEING RECALLED:

Roush CleanTech has determined that the zinc plated carbon steel fitting on the fuel return line in its Gen 4 and Gen 5 LPG fuel systems may corrode over time due to exposure to salt spray, particularly where impacts from road debris have damaged the protective coating that had been applied to the fitting. Such corrosion could lead to failure of the fuel return line fitting, which would result in a leak of liquid propane fuel, which would create a risk of fire.

Roush CleanTech, LLC has **not** issued instructions to stop driving your vehicle under this safety recall. However, in the event that you detect a LPG fuel leak, please stop driving your vehicle, park it outdoors in a well-ventilated area, and contact Roush CleanTech, LLC immediately at 1-800-597-6874 to make arrangements for an interim remedy.

WHAT YOU AS THE (OWNER/ OPERATOR) SHOULD DO:

The newly designed fuel return line (the remedy part) is not expected to be available until the end of the first quarter of 2023. Once these parts are available, the end users are to contact Roush CleanTech at 1-800-59-ROUSH or Support @ ROUSHCleanTech.com to arrange for parts and schedule repairs at an authorized repair center.

WHAT COACH AND EQUIPMENT MFG. CORP. / ROUSH CLEANTECH, LLC WILL DO:

Coach and Equipment incorporation with Roush CleanTech, LLC will provide the materials and the cost of labor for replacing defective parts. This remediation is to be conducted by Roush CleanTech, LLC authorized service centers.

If you feel that Coach and Equipment Mfg. Corp. has not fully answered your questions, please contact the Administrator, National Highway Traffic Safety Administration, 1200 New Jersey Ave., S.E., Washington, D.C., 20590; or call the toll-free Vehicle Safety Hotline at 1-888-327-4236 (TTY: 1-800-424-9153); or go to <http://www.safercar.gov>.

Thank you for your prompt attention to this matter. Your safety and satisfaction with the buses and services Coach and Equipment Mfg. Corp. provides to you are important to us and we regret this inconvenience to you. If you have any questions concerning these procedures, please contact Roush CleanTech, LLC Customer Service at 1-800-59-ROUSH, by email at Support@RoushCleanTech.com or Coach and Equipment Mfg. Corp. at (800)-724-8464.

Sincerely,

George D'Amato

Recall Administrator
