SOFTWARE UPDATES

UPDATE SUCCESSFUL

Received Apr 22, 2022

Check out what's new! Ford Power-Up software updates like this enhance the quality, capability and convenience of the vehicle.

WHAT'S IN THIS UPDATE?

Ford Power-Up 2.3.1

Ford Assistant

Ever wanted to talk to your vehicle? Well, now you can with your own Ford Assistant. Just say, "OK, Ford" to wake up your assistant and ask questions like "How does my Cruise Control work?".

Your rear view camera system has an update to resolve any blank screens or distorted images. Completion of this update resolves the safety recall 22S14, and no further action is required.

Ongoing updates like this help you enjoy the best possible version of your Edge® SUV.

Keep in mind that feature availability varies by model. For more information on these features, visit Ford.com/support or your digital Owner's Manual.
