2022 JEEP GRAND CHEROKEE WK LAREDO 4X2

Recall information: Z18/NHTSA 22V-154

Visit recalls.mopar.com for more information or call the FCA US Recall Team at
[1-800-853-1403](tel:1-800-853-1403)

Details of the Recall

The steering gear assembly on your vehicle may have been built with a rack bar manufactured with hardness below specification that may bend or yield in certain circumstances. If the rack bar yields, it could bind within the steering rack, possibly resulting in sudden greater effort required to maintain directional steering control and/or the inability to maintain directional steering control, which can cause a vehicle crash without prior warning.

FCA US will repair your vehicle free of charge (parts and labor). To do this, your dealer will replace the steering gear assembly. The estimated repair time is 8 hours. In addition, your dealer will require your vehicle for proper check-in, preparation, and check-out during your visit, which may require more time.

How do I schedule my **FREE** repair?

- ◆ Simply contact your Chrysler, Jeep®, Dodge or RAM dealer right away to schedule a service appointment.

We apologize for any inconvenience, but are sincerely concerned about your safety. Thank you for your attention to this important matter.
